# GOOD TIME BLUES FEST

At Good Time Blues Fest, we strive to offer as much quality and variety as possible – not only in our classes and competitions, but especially in our evening experiences. This year, we're proud to present 21 concerts (or more!) throughout the week, featuring an incredible lineup of bands and musicians from across the blues spectrum.

Below you'll find the full Live Music Schedule – but before we dive in, we want to give a huge thank you to our amazing DJs who help keep the dance floor alive before, between, and after the live sets: Sergio, Eva, Hamed, Luca, Venetia, and Chris – thank you!!!

All concerts are included in the festival pass – times and artists subject to change.
